Major: Communication Design/Advertising

REALLY GOOD AT:

Creative Suite (Photoshop, Illustrator, Indesign)
Dreamweaver
Flash/Flash Builder

WEB DEVELOPMENT

HTML / CSS / JavaScript / JQuery / AS3
PHP / Ajax / XML / JSON

SPECIAL PROJECTS:

Working with Sprout Baby Food. Updated and re-coded their website.
URL: www.sproutbabyfood.com

Worked with copywriter and beautiful person, Deanna Director (Yeah that's her real last name) to code her soon to be famous portfolio website.
URL: www.hiremygrandbaby.com

Designed a website in a special agency class, for Sage North America (Real client). The site endured usability testing and focus groups. It was a valuable experience and we recieved excellent feedback from the testing.
URL: anonymous (I will let you know ASAP)

I'm a Developer with a strong sense of creative. I thrive in a team environment & excel in problem solving, specializing in coding & creativity.

"I can make it all work."

EXPERIENCE:

CREATIVE DEVELOPER – DBM PARTNERS

Personal start up company I founded in 2002.
